

# Ganfeng Lithium Supplier Code of Conduct Commitment

The Company ("Supplier") \_\_\_\_\_  
It is hereby stated that it will comply with the Supplier Code of Conduct of Jiangxi Ganfeng Lithium Co., Ltd. and its holding company (hereinafter referred to as "Ganfeng Lithium") and agrees as follows: It is hereby stated that it will comply with the Supplier Code of Conduct of Jiangxi Ganfeng Lithium Co., Ltd. and its holding company (hereinafter referred to as "Ganfeng Lithium") and agrees as follows:

The Ganfeng Lithium Supplier Code of Conduct includes labor, health and safety, and environmental standards, the necessary elements of a compliance management system, and standards related to business ethics. We promise that all activities must comply with the laws and regulations of the country where they operate. In addition to complying with the law, we should actively move towards internationally recognized standards to take on more social and environmental responsibilities.

The purpose of Ganfeng Lithium's "Supplier Code of Conduct" is to ensure that the working environment of the industry's supply chain is safe, workers are respected and dignified, and business operators are responsible for the environment.

Suppliers should publicly declare their support for Ganfeng Lithium Supplier Code of Conduct, and take the initiative to be consistent with the management system proposed by Ganfeng Lithium Supplier Code of Conduct.

Suppliers must also actively apply their practices to the entire supply chain. At a minimum, suppliers at the next higher level should be required to recognize and apply the Supplier Code of Conduct.

The supplier will follow the Ganfeng Lithium Supplier Code of Conduct from the system and implementation aspects to provide a humane, safe and green working environment.
